WEDNESDAY, APRIL 29

THURSDAY, APRIL 30

FRIDAY, MAY 1

GENERAL INFORMATION

Treks 4 Tots is a half-day camp program designed especially for 4 and 5 year-old children. Spring *Treks* will meet Wednesday-Friday, April 29-May 1 from 9:00 a.m. to noon. Children may enroll by the day for \$25M/\$30NM or by the session for \$75M/\$90NM.

Each day we will walk to a different habitat to explore; daily themes are listed to the right. In our spring session, children will learn about animals in the pond and at the seashore. We will explore outdoors every day, but will focus on indoor activities during severe inclement weather.

Children will meet on the sunny south porch in the Center each morning. To ensure a safe and rewarding experience, our program is limited to 12 children, with a staff ratio of 1:4. Parents or a favorite adult may attend with their child for part of, or for all of each morning; no other siblings are allowed please.

We will explore the shore at Seal Cove, where we are sure to find treasures that the tide has left behind.
