

TREKS 4 TOTS

WEDNESDAY, FEBRUARY 25

THURSDAY, FEBRUARY 26

FRIDAY, FEBRUARY 27

GENERAL INFORMATION

Treks 4 Tots is a half-day camp program designed especially for 4 and 5 year-old children. Winter *Treks* will meet Wednesday-Friday, February 25-27 from 9:00 a.m. to noon. Children may enroll by the day for \$25M/\$30NM or by the session for \$75M/\$90NM.

Each day we will walk to a different habitat to explore; daily themes are listed to the right. We will gather natural materials to create easy and interesting crafts. The morning will end with stories and game. Although we ask that you plan for outdoor exploration every day, we may concentrate more on indoor activities during inclement weather.

Children will meet on the sunny south porch in the Center each morning. To ensure a safe and rewarding experience, our program is limited to 12 children, with a staff ratio of 1:4. Parents or a favorite adult may attend with their child for part of, or for all of each morning; no other siblings are allowed please.

DAILY THEMES

Wednesday, February 25

WOODLAND TRACKERS

We'll hike through the woodland forest to look for the tracks of deer, fox and rabbits. We will learn the skills to become nature detectives and see if we can determine what the animals had for breakfast.

Thursday, February 26

MAGIC MUD!

Trekkers will hike to the freshwater pond where we will chop through the ice and get some magic mud to take home. When it warms to room temperature you will see signs of life begin to emerge.

Friday, February 27

WARM & COZY TIDE POOLING

We'll visit the winter beach and see what the last tide left behind. Back at the center we'll have our snacks then do some warm and cozy indoor tide pooling.
