Join SSC's BioBlitz Project

1. In the iNaturalist app, click "More" on the bottom menu bar.
2. Select "Projects" and then click the magnifying glass in the top right corner. Look up "SSC BioBlitz!" in the search bar.
3. Go to the project page and click "Join" on the top menu. The project will now be on the projects list under the "More" tab.

Record an Observation:

1. Tap the camera icon (iPhone) or '+' icon (Android) to add an observation (take a photo or choose an existing photo)
2. Enter your ID where it says 'What did you see?' (iPhone) or 'Species name' (Android) – can be any taxonomic level
3. Pick the name that matches most closely (only available when your phone has service)
4. Tap save (iPhone) or ✓ (Android), repeat
5. Tap 'Upload' (iPhone) or 'Sync' (Android) in the green bar to share your finds if they haven't automatically uploaded
