

Safety Protocol for Marine Science Fellowship Program September 2021- January 2022

- Class will be held in person at Seacoast Science Center on the dates scheduled, from 10am-1pm, with an additional hour of virtual instruction to be scheduled weekly.
- Masks are required at all times, both within the Seacoast Science Center facility and outdoors in Odiorne Point State Park when social distancing is not possible.
- Hand sanitizer will be supplied and frequent handwashing encouraged.
- Class will be held primarily outdoors as weather permits.
- All surfaces will be disinfected at the beginning of class, middle of class, and end of class.
- When indoors, students will work at their own table, with tables set up at least 6ft. apart.
- Students should be dropped off or park in the back staff parking lot. They will proceed to the double-door, back entrance of Learning Studio where they will be asked to wash their hands then proceed to their personal table.
- Any student with a fever will not be allowed to enter the building and will be sent home immediately.
- Students who are not feeling well will be asked to stay home.
- If a student starts to show signs of any illness during class they will immediately be separated and brought to a safe room, away from others. The student will be asked to call their parents and go home as soon as possible.
- If a student demonstrates signs of illness at any time, we request that quarantine procedures are followed, the student get tested for COVID-19, and the student only return after their test comes back negative.
- If a student travels during the session, they may return to the session after 7 days with evidence of a post-travel negative COVID test or after they self-quarantine for 14 days. During this time the student may participate in the classes online.
- SSC may switch all fellowship activities to online should we feel that public health and safety conditions warrant enhanced safety protocols.
- All Seacoast Science Center [guidelines and safety protocol](#) will be followed at all times.

I hereby agree that I have read all conditions and will follow these guidelines and instructions the Seacoast Science Center has in place.
