

Musical Instruments

Make a musical instrument and create your own music!

Step 1: Gather your materials

- Recycled Materials (*ex: tissue boxes, toilet paper rolls, water bottles, coffee container, etc.*)
- Paint
- Paint brushes
- Glue/Tape
- Rubber bands
- String

Step 2: Pick your instrument

Check out Page 2 for inspiration. Do you want to strum a guitar? Shake a maraca? Bang a drum? Play a harmonica? Or do you want to create a whole band?!

Step 3: Build your instrument

Grab your materials and start creating! Once you have it built, paint and decorate your instrument. Don't forget to let it dry!

Musical Instruments

Step 4: Play!

Play your music for all to hear!

Challenge: Try to play a note, a song or create your own song!

Below are a few examples of our favorite instruments to inspire your creativity!

Cardboard Box Guitar

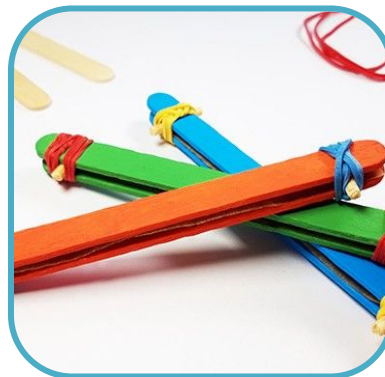

Paper Plate Tambourine

Water Bottle Maracas

Tin Can Drum

Popsicle Stick Harmonica
