Colors and Shapes in Nature

It’s time to have a nature adventure and use our powers of observation! What colors and shapes can you find as you explore Odiorne Point State Park? Can you find matches for all of the items in this scavenger hunt? What was the easiest shape to find? The most difficult? Do you think you would find different examples in spring or summer?

Can you find all of these colors in the park?

- **RED**
- **ORANGE**
- **YELLOW**
- **GREEN**
- **BLUE**
- **BROWN**

Have you found your favorite color?!
How many different shapes can you find throughout the park?

- Hexagon
- Rectangle
- Triangle
- Tear drop
- Spiral
- Circle
