

SEASIDE SAFARI

Ages: Grades K-5
Dates: Monday–Friday,
April 15-19 and April 22-26
Time: 9am-3pm, after-care available
Cost/day: \$60M \$65NM
Cost/week: \$300M \$325NM

About Safari Camp

Each Safari session is based around a different theme that includes outdoor exploration, takes advantage of the season, and is full of hands-on activities. Lessons incorporate the natural resources of Odiorne Point State Park and the Gulf of Maine, current ocean science, and lots of fun!

Ways to Register

Online: www.seacoastsciencecenter.org
Mail: Seacoast Science Center, 570 Ocean Blvd., Rye NH 03870
Fax: 603-433-2235
Please call 603-436-8043 to confirm receipt of your fax.
Registration closes the Thursday before camp begins.

Camp Hours and After-care

Camp runs from 9am-3pm; drop off begins at 8:30am. After-care is available from 3-5:30pm for \$15 a day. After-care is supervised free time, not an extension of camp activities. Please sign up for after-care when you register for camp.

Membership

Members of the Center are entitled to reduced camp fees. Member/Non-member rates are indicated as M/NM. Join when you register and take advantage of the member discount right away.

Cancellation Policy

Cancellations made prior to one week before the first day of camp will receive a 50% refund. No refunds will be given after that time.

Camp Fund

We have created a Camp Fund to offer financial assistance to children who would otherwise be unable to attend. Please consider making a tax deductible donation when registering.

Daily Themes

Monday, 4/15 & 4/22

Explore the Shore

Let's head out to the rocky coast at low tide to see what we can find. Are there creatures hiding under the rocks? Let's look! Treasures washed ashore by the sea? Maybe!

Tuesday, 4/16/ & 4/23

Salt Marsh Sightings

The salt marsh is one of many special habitats in Odiorne Point State Park. We'll trek out to this flooded grassland to learn what types of animals live in, or visit, the salt marsh, and learn why it is important to protect this valuable habitat for people and wildlife alike.

Wednesday, 4/17 & 4/24

Forest Findings

The spring woods are awakening! Let's venture out into the Park trails and between the trees to look for signs of wildlife, identify trees, and learn some bird songs. We'll also play fun games, including Camouflage and Squirrel Tag.

Thursday, 4/18 & 4/25

Ocean Odyssey

Our One World Ocean is alive with more than a million different plants and animals, from the giant blue whale to microscopic plankton. Through fun games and activities, we'll discover why it is important to learn as much about the ocean as we can and learn ways we can better protect it.

Friday, 4/19 & 4/26

What's the Weather?

Spring has sprung and that means its mud season! Let's head outdoors to explore the signs of spring and our changing weather. We'll take measurements of temperature and humidity, uncover facts about wind and rain, and hopefully enjoy some sun! What kind of cloud is that? Come find out!

Children should always come prepared with layers of warm outdoor clothing and boots. We go outdoors rain or shine, but focus on indoor activities during inclement weather.

Please pack a nut-free lunch and snacks that do not require refrigeration.

Questions? Contact Henry at 603-436-8043, ext. 16 or h.burke@sscnh.org
